

Business & Commercial Litigation

Our business and commercial litigators provide strategic counsel and aggressive advocacy to many of the nation's largest corporations, prominent local and regional companies, as well as to smaller, closely-held businesses. Our team is deep, with over forty legal professionals across our firm's multiple offices, with each one focused on winning trials or creating leverage for favorable settlements. From Wall Street firms and financial institutions to diagnostic and healthcare giants, leading businesses rely on Bressler for their litigation needs. Our team was recognized as a top 3 Powerhouse in Complex Commercial litigation by BTI Consulting Group. Our litigators work in numerous industries and sectors, including automotive and transportation, financial services, health care and pharmaceuticals, manufacturing and distribution, technology, real estate, retail and insurance.

We represent clients in high-stakes, prominent litigation and arbitration and excel at managing large, sophisticated, and complex disputes. Our attorneys are retained for high exposure individual matters, and national class actions and multi-district litigations. With decades of experience in business law, we draw on our institutional knowledge, resources, and the relationships we have built to bring together the veteran experience needed to guide clients through dispute resolution nationally, in state and federal courts across every state in the country, at arbitrations before the AAA, JAMS, FINRA and other forums, and before state and federal administrative agencies.

Our experienced business and commercial litigation team represents clients in the full array of complex claims including:

- Breach of contract
- Business torts
- Contract interpretation in commercial transactions
- Corporate, shareholder and partnership disputes
- Director and officer liability
- Insurance coverage
- Restrictive covenants and non-compete agreements
- Real estate and construction
- Trade secrets and unfair competition
- Franchise disputes
