

Automotive & Transportation

Our attorneys are attuned to the changing legal and regulatory landscape of the automotive industry and will proactively help clients navigate these market developments to ensure the best business outcomes for our clients in the automotive and transportation industry.

Our automotive team is comprised of professionals from an array of practice areas with experience in litigation, general liability, banking and finance, franchise law, appellate law, bankruptcy, business visas and immigration, labor and employment and regulatory and compliance. Our team-based approach ensures our clients benefit from the very best strategic advice from lawyers who understand not only the legal environment but also the practical and fundamental sides of the automotive industry.

We have participated in landmark decisions on behalf of franchised auto dealers and have represented motor vehicle franchisees operating in nearly every state. Members of our automotive team have handled numerous appeals in state and federal courts and have represented dealers in class actions brought by consumers. We also represent dealers in franchise termination disputes, challenges to franchisor market realignments seeking to relocate or establish same-line dealers, warranty issues and other disputes with automakers.

A member of our Franchise Law team served for 6 years on the board of the National Association of Dealer Counsel, a nationwide professional organization of attorneys who represent motor vehicle dealers, and publishes annually, the "Top 25 Legal Trends for Automobile Dealers." Our automotive team leverages its extensive experience in the industry to help clients traverse complex business challenges with efficiency, speed, and quality.
