Hiring, promotion and compensation decisions are made on the basis of merit. We encourage an entrepreneurial mindset that empowers attorneys and staff. We strive to integrate new people quickly and to maintain an open-door environment that is hospitable and collegial.

Our business has grown annually which has prompted us to add attorneys and support staff at all levels, and we expect that growth to continue in all cities in which the firm has offices. The firm's attorneys hail from multiple different states and foreign countries. Our attorneys are graduates of more than 30 different law schools.

We understand the importance of a healthy work-life balance. We encourage our team members to devote time to themselves, their families, community and pro bono service, and personal interests.
