Entry-Level Associates and Summer Associate Programs

Chamberlain Hrdlicka hires entry-level associates primarily, but not exclusively, through our summer associate programs. The Atlanta, Houston and San Antonio offices conduct an eight-week summer program running from mid-May through mid-July. We offer a comprehensive program for 2L students that creates opportunities for substantive work in a variety of practice areas and social events to network with our attorneys. Summer Associates are assigned mentors to help guide them through our program and schedule weekly lunches with Shareholders. We are committed to providing a program that allows Summer Associates to experience our Culture of Excellence and Collaboration.

Recent law graduates who have demonstrated superior academic achievement and relevant prior legal work experience, will also be considered for entry-level associate positions, subject to the firm's needs.
