About Best Lawyers

For more than three decades, *Best Lawyers* lists have been compiled conducting exhaustive peer-review surveys in which tens of thousands of leading lawyers confidentially evaluate their professional peers. If the votes for an attorney are positive enough for inclusion in *Best Lawyers*, that attorney must maintain those votes in subsequent polls to remain on the list for each edition.

Best Lawyers' peer-reviewed listings are now published in almost 70 countries around the world. In U.S. alone, *Best Lawyers* lists reach more than 17 million readers through newspapers and regional magazines.
