Ella Gonzalez is a Technical Advisor in the Intellectual Property Section, focusing in technology law.

Ella is currently obtaining her Bachelor of Science degree in Engineering Science with a focus in Mechanical and Electrical Engineering and a minor in Mathematics. During her senior year, she did extensive research on NASA's Jet Propulsion Laboratory patents in order to help construct an autonomous planetary rover prototype. This year-long project provided valuable experience in both mechanical and electrical engineering, as well as technical communication.

Professional Affiliations

- Ella was an executive member of Trinity University's chapter of the Society of Women Engineers (SWE), as well as a current member of the international organization. She is also a member of the American Society of Mechanical Engineers (ASME) and the Institute for Electrical and Electronics Engineers (IEEE).
