

KAREN SEBASKI QUOTED ON SUPREME COURT'S ORAL ARGUMENTS IN *PETER V. NANTKWEST*

10.10.2019

Karen commented on the potential impact of *Peter v. NantKwest*, a case concerning the USPTO's policy of seeking attorneys' fees, noting that oral arguments are "likely to shed light on SCOTUS' appetite for an anomalous exception to the American Rule." Read her full comments on the case and its significance in *World Intellectual Property Review* and *IP Magazine*.
